

# OMAR MONIB

## Front-End Developer (React.JS & Next.JS)

+20 101 009 4107 | [omar.monib91@gmail.com](mailto:omar.monib91@gmail.com) | [LinkedIn](#) | [GitHub](#)

### PROFESSIONAL SUMMARY

---

Front-End Developer with telecom production experience as a NOC Engineer at Vodafone Egypt. Skilled in building scalable monitoring dashboards, operational tools, and responsive web applications using React.js, Next.js, and TypeScript.

Strong background in system monitoring, troubleshooting, and performance optimization, enabling the development of reliable, high-performance, and user-focused software solutions tailored for telecom and enterprise environments.

### PROFESSIONAL EXPERIENCE

---

#### Vodafone Egypt – NOC Engineer

(2019 - Present)

- Monitored live telecom network performance and ensured high service availability across production systems.
- Investigated network outages and performed root cause analysis to minimize downtime.
- Collaborated with cross-functional engineering teams to resolve critical production incidents.
- Ensured SLA compliance and maintained service reliability standards.
- Developed strong expertise in troubleshooting, monitoring tools, and performance optimization.
- Applied production reliability mindset while designing scalable front-end applications and monitoring dashboards.

### FRONT-END DEVELOPMENT EXPERIENCE

---

#### (Self-driven & Project-Based)

Designed and developed multiple production-style web applications focusing on scalability, performance, accessibility, and modern UI architecture.

### PROJECTS

---

#### Nur Al-Iman — Islamic Content Platform

- **Source Code:** [GitHub](#)
- **Live Demo:** [Vercel](#)
- Developed a modern Islamic platform featuring Quran, Azkar, and integrated audio playback.
- Implemented RTL-first UI and Mushaf-style Quran reading experience.
- Built synchronized Ayah highlighting during audio playback.
- Applied accessibility best practices and optimized performance for smooth user experience.
- Integrated external APIs and dynamic content rendering using Next.js.

#### E-Commerce Admin Dashboard

- **Source Code:** [GitHub](#)
- **Live Demo:** [Vercel](#)
- Designed scalable admin dashboard for managing products, users, payments, and analytics.
- Implemented global state management using Zustand.
- Built dynamic forms using React Hook Form and Zod validation.
- Applied reusable component architecture using shadcn/ui.
- Optimized rendering performance and UI responsiveness using Next.js 14 and TypeScript.
- Designed dashboard layout inspired by monitoring and operational telecom tools.

## MonibShop — E-Commerce Frontend

- **Source Code:** [GitHub](#)
- **Live Demo:** [Vercel](#)
- Developed modern e-commerce storefront with advanced product filtering and search.
- Implemented persistent cart state using Zustand.
- Built scalable form validation using React Hook Form and Zod.
- Focused on responsive UI and optimized loading performance.
- Integrated REST APIs and handled asynchronous data efficiently.

## Personal Portfolio

- **Source Code:** [GitHub](#)
- **Live Demo:** [Vercel](#)
- Designed responsive personal portfolio showcasing projects and technical articles.
- Built using Next.js and Tailwind CSS with focus on performance and SEO optimization.

## TECHNICAL SKILLS

---

- **Languages & Frameworks:** HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Next.js
- **State Management:** Zustand, React Hooks, Context API
- **Tools:** Git, GitHub, VS Code
- **Front-End Development:** Responsive Design, Component-Based Architecture, API Integration, Form Validation, Accessibility (ARIA), Performance Optimization, SSR / SSG
- **UI & Styling:** Tailwind CSS, shadcn/ui, Framer Motion
- **Tools & Development:** Git, GitHub, VS Code
- **Networking & Telecom Knowledge:** Network Monitoring, Incident Troubleshooting, SLA Management, Production System Operations

## EDUCATION

---

### Bachelor's Degree in Communication Engineering

Al-Safwa High Institute of Engineering – 2015

## SOFT SKILLS

---

- Problem Solving
- Team Collaboration
- Time Management

## LANGUAGES

---

- Arabic: Native
- English: Intermediate
